"BravoCon LIVE with Andy Cohen! is an annual highlight for the network, filled with musical performances, interviews, and many games. My creative vision was achieved by embracing the nostalgia of Las Vegas while honoring the Mid-Century modern style of our Host, Andy Cohen's nightly talk show: "Watch What Happens Live!". Without the support of my incredible team, this ambitious project would not be possible. City Theatrical products made this task easier, from troubleshooting tools to high-quality LED solutions suitable for HD camera records."
