## iW Blast® TR TV/Film Kit

The City Theatrical iWhite Blast TR TV/Film Kit provides a complete portable solid state lighting solution for your next temporary production or location shoot. The three-unit Kit includes stands, accessories, lenses and controllers for the three included Philips Color Kinetics iW Blast TR LED fixtures, and is packed in a durable ATA case.

**iW Blast® 12 TR LED Fixtures:**, the newest addition to the highly popular iW Blast product line, iW Blast 12 TR provides adjustable, color-temperature controllable white light for wide-ranging entertainment applications. Designed specifically to withstand the taxing nature of stage and set environments, iW Blast 12 TR features a replaceable lens, protective face cover, industry-standard XLR connectors, and a housing that easily accommodates various truss clamps. These iWhite Blast TRs are also equipped with City Theatrical's unique **TV/Film Mounting**

**Bracket** so they can be mounted on the included fixture stands or any industry standard mounting unit provided with a TV/film 5/8" pin.

**CTI Controller/Power Supplies:** The City Theatrical 6350 iW Blast 12 TR Controller Power/Supply features color temperature and intensity controls and an On/Off button, 100-240VAC 50/60 Hz and 24VDC Power inputs, and a CKDMX power/data output for one iW Blast 12 TR. The Controller Power/Supply is housed in a rugged NEMA 1 steel and aluminum case with a built-in mounting clamp for attachment to the fixture stand, and is ETL Listed and CE certified. These Controller Power/Supplies can be run with 100-240VAC mains power or with a CTI 6280 12/24VDC Battery Base.

**Stands:** The light but durable tubular aluminum folding stands extend to over 8.00' and are equipped with a standard TV/film 5/8" pin.

**Lenses:** The Kit includes three complete nine-piece sets of our polycarbonate holographic lenses, provided in a variety of symmetrical and asymmetrical beamspreads to fit most lighting needs. These lenses fit directly (no extra accessory holder needed) into the iW Blast 12 TRs.

**Accessories:** The Kit also includes a CTI Louver and a CTI Barndoor for each of the three iW Blast 12 TRs.

**Case:** The Kit is housed in a rugged ATA rated road case designed to carry and protect all of the Kit components.
