

City Theatrical's Custom Work October 2020

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine.

Custom cut QolorFLEX® NuNeon™

Project Type: Installation

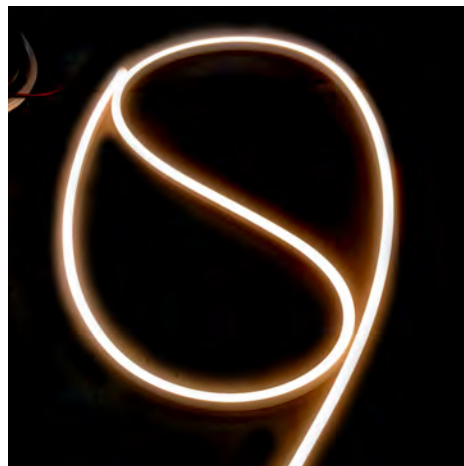

Fixture Type: QolorFLEX NuNeon linear LED lighting

Challenge: The client required the extremely bright flexibility of QolorFLEX NuNeon, Warm White but in five meter lengths, rather than the 10m standard reel length for warm white, with long leads on either end for easy soldering and installation.

Solution: City Theatrical custom cut QolorFLEX NuNeon, Warm White reels in half and added longer leads on each end, as per the specifications provided by the client.

Material: QolorFLEX NuNeon

Custom Painted Short Top Hats

Project Type: Entertainment

Fixture Type: ETC Source 4

Challenge: The client required standard Short [Top Hats](#) (P/N 2481) for ETC Source 4 fixtures but required them to be painted white, in order to blend in with the surrounding fixture and walls, while retaining the black flocking within for beam control.

Solution: City Theatrical custom manufactured the short Top Hats to meet the white color desired by the client and beam control functionality expected of Standard Top Hats.

Material: Steel

Custom Top Hats for Martin MAC Rush MH6

Project Type: Entertainment

Fixture Type: Martin MAC Rush MH6

Challenge: The client required Top Hats with fasteners for Martin Rush MH6 lighting fixtures to help reduce the light spill and viewing angle to the lens for a event company.

Solution: City Theatrical custom manufactured the Top Hats to meet the unique specifications of the desired lighting fixtures.

Material: Steel
