

## City Theatrical's Custom Work September 2021

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine.

### Custom Cut QolorFLEX LED Tape

**Project Type:** Outdoor Installation

**Fixture Type:** N/A

**Challenge:** The client required custom cut and diffused natural white QolorFLEX LED Tape strips for an outdoor installation.

**Solution:** City Theatrical custom cut 400 pieces of 24V outdoor-rated QolorFLEX LED Tape in Natural White and put them into extrusions with diffusion.

**Material:** QolorFLEX LED Tape

### Custom Concentric Rings

**Project Type:** Entertainment

**Fixture Type:** ETC Desire D60

**Challenge:** The client required custom Concentric Rings to provide beam control for an entertainment project in which Desire D60 light fixtures were being used, which are the brightest variant in the Desire™ LED luminaire family..

**Solution:** City Theatrical custom manufactured the Concentric Rings to fit the lighting fixture specifications provided by the client.

**Material:** Steel

### Custom Two Tone Short Top Hats

**Project Type:** Entertainment

**Fixture Type:** ETC Source 4

**Challenge:** The client required standard Short Top Hats (P/N 2481) for ETC Source 4 fixtures but required them to be painted white, in order to blend in with the surrounding fixture and walls, while retaining the black flocking within for beam control.

**Solution:** City Theatrical custom manufactured the short Top Hats to meet the white color desired by the client and beam control functionality expected of Standard Top Hats.

**Material:** Steel

### Custom Powdercoated Boom Bases

**Project Type:** Theatrical

**Fixture Type:** N/A

**Challenge:** The client required standard 10" Boom Bases (P/N 4300) but required them to be custom painted white.

**Solution:** City Theatrical custom powdercoated the Boom Bases to meet the white color desired by the client.

**Material:** Steel
