

City Theatrical's Custom Work December 2021

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine

Custom Cut QolorFLEX NuNeon Strips

Project Type: Entertainment

Challenge: The client required eight custom cut QolorFLEX NuNeon® RGB strips, cut at different specified lengths to be installed for an entertainment project.

Solution: City Theatrical custom cut the QolorFLEX NuNeon linear lighting strips to the specified lengths and included end caps and added conductor tails, such that the strips were ready to install.

Material: QolorFLEX NuNeon, RGB
