

City Theatrical's Custom Work January 2022

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine.

Custom Flocked MAC Aura Concentric Rings

Project Type: Entertainment

Fixture Type: MAC Aura

Challenge: The client required custom flocked MAC Aura Concentric Rings (P/N 2791) to provide beam control for an entertainment project in which Martin MAC Aura light fixtures were being used.

Solution: City Theatrical custom manufactured the flocked Concentric Rings to fit the MAC Aura lighting fixture specifications.

Material: Aluminum
