

**City Theatrical's Custom Work
June 2022**

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine.

Custom QolorFLEX NuNeon in Extrusions

Project Type: Entertainment

Fixture Type: N/A

Challenge: The client required 16 custom cut QolorFLEX NuNeon® strips with QolorFLEX NuNeon Accessories, including QolorFLEX NuNeon Aluminum Extrusions and QolorFLEX NuNeon End Caps, to be ready to install on an entertainment project.

Solution: City Theatrical custom cut the pieces of QolorFLEX NuNeon linear LED lighting and added necessary QolorFLEX NuNeon Accessories for each strip.

Material: QolorFLEX NuNeon

Custom Double Yoke

Project Type: Themed entertainment

Fixture Type: Astera AX5 Triple Par

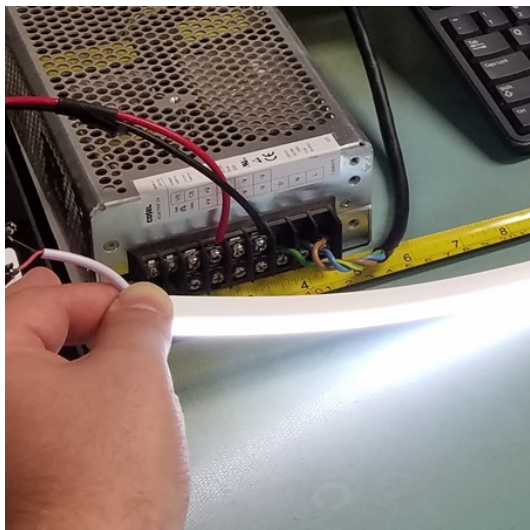

Challenge: The client required an improved base for the Astera AX5 Triple Par lighting fixtures that could be used a floor mount or hung from a clamp, and would be more stable than the standard yoke.

Solution: City Theatrical engineers used their expertise to custom design and manufacture these yokes to provide an improved solution for the Astera fixture.

Material: Steel
