

City Theatrical's Custom Work March 2021

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine.

Custom Top Hats

Project Type: Entertainment

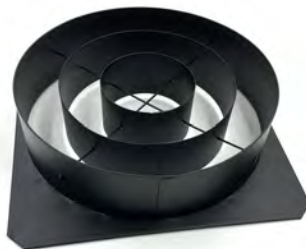

Fixture Type: Martin Lighting MAC Encore Wash

Challenge: The client required custom City Theatrical Top Hats to provide beam control for an entertainment project in which MAC Encore Wash lighting fixtures were being used.

Solution: City Theatrical custom manufactured the Top Hats to fit the lighting fixture specifications provided by the client.

Material: Steel

Custom Safer Sidearms™

Project Type: Entertainment

Fixture Type: N/A

Challenge: The client required custom City Theatrical Safer Sidearms Original with 1/2" pipe and two sliding tees (P/N 204), with a 30" long pipe instead of the standard 24" pipe, for an entertainment project.

Solution: City Theatrical custom manufactured the Safer Sidearms to include the longer 30' pipe to meet the needs of the client.

Material: 1/2" Schedule 40 steel pipe
