

## City Theatrical's Custom Work May 2021

Although City Theatrical manufactures a large catalog of unique lighting accessories, we also like to do custom work, and can do it incredibly quickly. If you need a custom design or fabrication of metal lighting products, electronic design, LED power supplies, custom wireless DMX installations, or nearly any other challenge that you can come up with, call us and we will help you through it. We've done custom work for major TV networks, theme parks, museums, architectural projects, and just about any other type of lighting project you can imagine.

### Custom Signify Lightolier LLAV11 Barndoors

**Project Type:** Entertainment

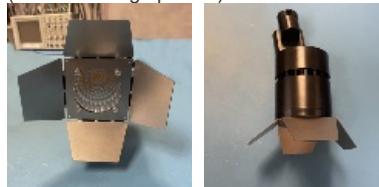

**Fixture Type:** Signify Lightolier LLAV11

**Challenge:** The client required City Theatrical Barndoors, custom made to fit the specifications of the desired Signify Lightolier LLAV11 lighting fixtures, to provide beam control for a lighting installation for an entertainment project.

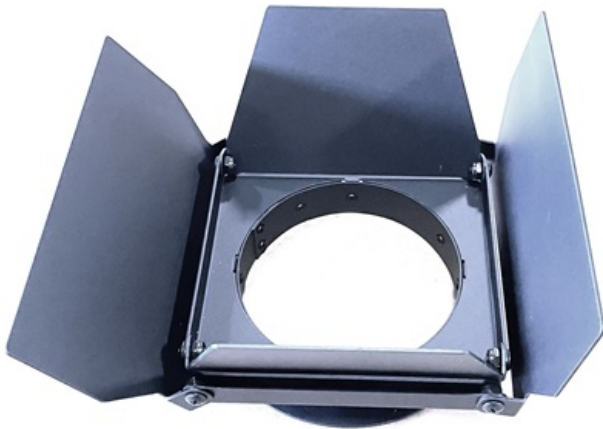

**Solution:** City Theatrical custom manufactured the Barndoors to meet the size specifications desired by the client and provide beam control functionality expected of City Theatrical Barndoors.

**Material:** Steel

### Custom Painted Top Hats

**Project Type:** Theatrical

**Fixture Type:** ETC Source 4 PAR

**Challenge:** The client required standard Short Top Hats (P/N 2481) to provide beam control for ETC Source 4 fixtures but required them to be painted white, in order to blend in with the surrounding fixture and walls.

**Solution:** City Theatrical custom manufactured the short Top Hats to meet the white color desired by the client and beam control functionality expected of Standard Top Hats.

**Material:** Steel
