Full Job Description

We have an excellent opportunity for a **Powder Coating Painter**.

City Theatrical is a leading innovator of unique lighting accessories for theatre, film and entertainment. We have an interesting and exciting work environment encompassing product development, manufacturing, engineering, marketing and sales. Our manufacturing capabilities range from state-of-the-art electronics and assembly technologies to metal forming and in house electrostatic powder coating. City Theatrical utilizes an open book management system, invites employee involvement and believe that those who help create the success of the company should also have a share in that success.

We are looking for someone who is:

- Capable of performing quality work safely
 - An intuitive problem solver
 - Able to communicate clearly and effectively
 - Able to see the big picture and the fine details
 - Willing to help others
-

Job Requirements:

- 1-year minimum experience working in a powder coat line utilizing manual spray applications

Essential duties and responsibilities include the following:

- Work according to CTI's standard operating procedures
 - Verify racking, hooks and parts are properly grounded before painting
 - Operate and maintain powder coating unit to apply layers of powder assuring an even and consistent coating
 - Check for proper coating thickness using provided instrumentation
 - Make sure parts are organized and protected before moving to the next work station
 - Must be able to sustain exertion and lifting 55 lbs.
 - Performing these duties will involve lifting, pulling, or pushing physical objects, stooping and bending, walking and standing for long periods of time
 - Continuous mental and visual attention is required
 - Work in a team environment
 - Maintain a clean and safe work environment
-
- Paints or powder-coats all types of components

 - Cleans and maintains paint equipment

 - Maintains high levels of productivity and quality

 - Continuously uses initiative to seek additional work

 - Performs other duties as instructed by management

 - Ability to work in a facility with minimum temperature control, exposed to local temperature variations (hot & cold)

Benefits:

- 401(k) matching
- Dental insurance
- Health insurance
- Vision insurance
- Employee Profit Sharing

We are an Equal Opportunity Employer (EOE). All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
