

# CITY THEATRICAL

NEW YORK • LONDON

## Job Description

Posted: October 2022

**Title: Metal Fabricator**  
**Reports to: Head of Manufacturing**

**Department: Manufacturing**

**Purpose:** To ensure that all parts for City Theatrical products are formed to the highest quality standards and completed in a timely fashion as dictated by standards for each part

### Team Member Responsibilities:

- Team player able to communicate well with Production Management: work according to priorities, report work progress and provide technical information when requested
- Capable of working with breaks, spot welders, rollers, punches, stamping machines and other similar sheet metal fabrication tools to make a large variety of parts
- Capable of reading and understanding work orders, bill of materials and work instructions
- Carry out equipment maintenance and keep working area clean and organized
- Work responsibly with a “safety first” mindset
- Able to work independently keeping a productive pace and focusing on the quality of the work produced
- Willingness to work on a variety of manufacturing and improvement projects
- Disciplined and able to comply with Company standard procedures and policies
- Performing these duties will involve lifting, pulling or pushing physical objects, stooping and bending, walking and standing for long periods of time
- Able to sustain exertion and lifting 50 lbs
- Perform other duties as instructed by Production Management
- Ability to work in a facility with minimum temperature control, exposed to hot and cold temperatures
