Bob Fosse's *Dancin'* (Julieta Cervantes)

“For *Dancin'*, with Direction and Musical Staging by Wayne Cilento, we were able to think about light in terms of movement with the choreography. How do we take the audience from one beautiful scene to another while telling the story? When will they be ready for the period at the end of the sentence? Then how big of a breath are we going to give them? I think we did well at that as a team for this show.”
