Tsilala Brock as Dudley Malone and Grace McLean as President Woodrow Wilson in *Suffs The Musical* (Joan Marcus)

"Composer/writer Shaina Taub often expressed how the efforts to earn women the right to vote read like an action movie. She created SUFFS, the musical to honor the work of so many. Despite being set in the 1910's, the lighting design wanted to be present and active, pushing the story forward with velocity. Thanks to programmer Alyssa Eilbott, the choreography of non-stop lighting technology brings that high stakes action to SUFFS."
